Proposals put to the meeting

1. On behalf of the Crawler section would like some funding from the club for more improvement for new sections / obstacles , last years funding has been paid back in full by the crawler section through entry fees , I am asking for an additional £250 (Connor Fazor) –
this was agreed and it was passed the of Sum of £500 would be granted to the crawler section – Richard 2nd it
2. 2 Man team championship (Committee / G McCawley) –
this was discussed and passed – Richard 2nd
3. All Racers and Pit Persons must be club and BRCA members as per 2020 race season , due to track and trace and going forward (committee) –
this was passed and was 2nd by Ian Kid
4. Short Course Truck section to be introduced . proposed by committee members –
Discussed and passed – finer points to be finalised by committee members – 2nd Daniel

5. Bash track oval to be built during 2020/21 winter
Discussed and passed – finer points to be finalised by committee members – 2nd Connor Frazer
6. Committee members to meet once a month –
Will be talked about by the committee members
7. ADDITIONAL Key Holder Required for Saturday work Party *Damien Russell*

Kyle Baird Trophy (Best Improved)

Jason Ferguson

12. Any Other Business

2021 Paddy Piston or another fundraiser 2 day event – this was talked about and it was agreed that If the members were to invest time in the winter track work and the track was looking up to stand for such an event the we would pencil it into the planed diary

It was also discussed that a club GP for members only wold be run and also a Another GP event we also discussed DubShed and the feelings were that I'd it was offered a then the club would like to get involved.

We also discussed that Wednesday nights would continue into 2021 for Praticice evening (electric only)

A discussion was had regarding the crawler section not having to a club member – this was passed by a majority, although there was some against it

13. Closing remarks

Over all the meeting went well with some good discussions, the presentation also went well and with the current COVID Restrictions ..

Looking forward to 2021
